

LOUISIANA DEPARTMENT OF AGRICULTURE & FORESTRY
MIKE STRAIN DVM, COMMISSIONER

2,4-D HERBICIDE PERMIT APPLICATION AREA

APRIL 3 – MAY 1

Aerial applicators must obtain a written **permit** from the Baton Rouge office for 2,4-D applications in the following parishes/areas (**yellow**):

Allen (E/US165, N/US190), Avoyelles (W/LA1), Evangeline, Pointe Coupee (W/LA1, N/US190), Rapides, St. Landry (N/US190).

NOTE: During this period Standard Regulations require that **commercial ground applicators** must still obtain a **waiver** for 2,4-D applications in the parish areas marked **excluding Allen parish**.
